PROFESSIONAL EXPERIENCE

Private Family Estate, Naples, Florida (April 2000-December 2005)

Horticulturist and Houseman: Delivered an exceptional level of service and unparalleled horticultural knowledge in the maintenance of a 7.5-acre beachfront property and a 35-acre equestrian center.

- Maintained the family's high standards and retained its level of quality
- Preserved the integrity of the estate's natural surroundings while creating a vegetable garden and overseeing the landscape installation for the equestrian center
- Collaborated with housekeeping, gardening, and security personnel to ensure all daily responsibilities, as requested by the family, were met and exceeded
- Coordinated the hiring of outside contractors and managed their services while on property
- Performed general maintenance tasks including, but not limited to, fueling, washing, and detailing the fleet of automobiles; exercising and training the pets; and decorating for the holidays
- Maintained new and existing property systems, including irrigation, electrical, generators, and hurricane protection
- Created weekly reports detailing completed tasks and outlining future goals
- Assisted with scheduling and the budget
- Trained and evaluated staff on various skills and duties
- Assisted with special projects, including parties and events
- Collaborated with notable garden consultants and designers, Daniel Ost, Barbara Paca, Daniel Hinkley
- Purchased, operated, and maintained landscaping equipment

RELEVANT EXPERIENCE

A.W. Horticare, Inc. - dba Lot Doctor (January 2006-present)

Business Owner: Utilizing vast horticultural and business knowledge to oversee every aspect of running a successful company that appropriately clears land and maintains open green areas in large communities for future development.

Highlights:

- Successfully marketed single-handedly, acquiring several contracts with large developers
- In three short years, turned a profit, marketed, and sold business
- Diversified in order to remain strong and competitive even in a difficult economy
- Handled every aspect of running a successful business, i.e., planning schedules, budgeting, hiring and terminating employees, writing proposals, contracts, handling accounts payable and receivables and budgets.
